Mr. Stoetzer,

In light of the recent government shutdown, I am submitting a required 48-hour report on a papercopy rather than the electronic version.

I understand you are on furlough, as I have been unable to contact you after leaving two voice messages seeking your assistance. The website for the FEC software appears to be off line.

In light of that, and in an effort to be in compliance, I have faxed a copy of the hand written report, as well as overnighted a copy of the report, sent certified mail.

I hope to speak with you as soon as you're available to complete the required online form.

Please call me with any questions or concerns at 517-267-9012.

Regards,

Ellen Kletzka
Treasurer
